2024 RICHFIELD SPRINGS AREA CHAMBER OF COMMERCE

The Richfield Springs Area

...is located in the heart of Leatherstocking Country on the Route
20 Scenic Byway. It is in an area with rich farmland, rolling
hills, forests, woodland streams and the pristine Canadarago
Lake. Abundant activities and a fascinating history make this a
delightful place to visit. The Richfield Springs Area is midway
between Albany and Syracuse on US Route 20, close to Exit
30 on the New York State Thruway and only 12 miles north of
Cooperstown. Richfield Springs and the surrounding area offers
residents and visitors a wide variety of activities.

In the summer, Canadarago Lake, one of the cleanest boat
lakes in New York State, is the perfect place to enjoy the water.
The public boat launch makes the lake accessible to fisherman
and recreational boaters alike and in the winter ice fishermen
dot the lake. Just south of the village on Route 28, Bakers Beach
has a swimming area as well as pavilion for private parties and
a large picnic area.

Enjoy our Summer Concert Series on Wednesday evenings
in Spring Park in the center of town. Also at Spring Park,
the Farmer's Market offers fresh local products Thursday
afternoons and Saturday mornings. Come and enjoy all the
Richfield Springs Area has to offer. For more information about
our area, visit our website at www.richfieldspringschamber.org.
